The four floors above the Bank contain each 17 office rooms—68 in all. The offices are commodious and convenient and for light, ventilation, general equipment, etc., every suite is a gem, and in consonance with the modern plan of comfort, elegance and utility.

It is no exaggeration to remark that Maysville's new office building compares favorably

with any similar structure in cities ten times her size.

The entire building is lighted by electricity, heated with steam, has electric bells, hot and cold water, quick hydraulic elevator service from basement to roof, where a superb view of the river and hills and city scenery greets the eye. The tiled floors of the Bank and the five corridors and the hardwood floors of the 68 office rooms give a solid effect to all.

The new building is the permanent home of the First National Bank and the Union Trust and Savings Company.

The Bank is one of the solid financial institutions of the State, having resources of over \$600,000 and is officered as follows—

President—Ben Longnecker.

Cashier—W. W. Ball.

Vice-President—Daniel Perrine.

Directors—Thomas A. Keith, Walter Matthews, P. P. Parker, Daniel Perrine and Ben Longnecker.

President Longnecker, Cashier Ball and the other Bank officials were all wreathed in smiles and nearly every employee was in the receiving line to welcome the visiting public.

Simon Crowell was the first depositor in the new Bank; George H. Frank & Co., the second, while John J. Altmeyer of The Daily Bulletin was the first depositor by mail.

DEEDS NOT WORDS.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words but deeds that prove true merit.

The deeds of Doan's Kidney Pills For Maysville kidney sufferers Have made their local reputation.

Proof lies in the testimony of Maysville people who have been cured to stay cured.

William H. Paul, 333 East Third street Maysville, Ky., says:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them several years ago, and the statement I gave in their favor at that time still holds good. Before I learned of their merit I was bothered considerably by pains in my back and other symptoms of disordered kidneys. After doctoring unsuccessfully I was induced to give Doan's Kidney Pills a trial, procuring them at J. Jas. Wood & Son's Drugstore. They promptly and effectively cured me, and I did not have a return of the difficulty until a short time ago. At that time I again resorted to Doan's Kidney Pills, and as in the first case, they thoroughly removed every sign of the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
